Minchinbury Manor
Australasian Accommodation Aged Care

Minchinbury Manor

Minchinbury Manor is **an established, state-of-the-art aged care residence** located in Rooty Hill, New South Wales. Conveniently placed across the road from Minchinbury Community Hospital and a short drive from Blacktown Hospital, Minchinbury Manor caters to the ageing needs of western Sydney residents.

- Established and reputable, providing the highest level of care for over 15 years.
- A range of lifestyle options depending upon individual needs and interest.
- Continuous care with registered nurses and care companions on site all day, every day.

Warm and comfortable

The accommodation offered at Minchinbury Manor is of the highest standard and comfort. A recent extension has added modern and beautifully appointed rooms, designed to cater to every elderly lifestyle requirement.

All rooms are spacious with softly carpeted floors, luxury finishes and large windows for natural light. There are multiple comfortably furnished television and common rooms. There is space for entertainment, recreation and socialising with family, friends or fellow residents.

The tranquil gardens are beautiful to view and offer a peaceful place to relax and enjoy a breath of fresh air.

Everyone is special

At Minchinbury Manor we recognise each resident has their own unique needs and desires, which should always be respected.

We personalise our aged care.

Every resident is given the freedom to decide what they want to do each day to ensure fulfillment and optimal engagement in life.

Whether residents need assistance with the activities of daily living, have complex medical needs, require respite, dementia or palliative care, **Minchinbury Manor is there to care and support.**

Registered nurses and care companions are on site all day, every day. They know the residents and their special needs. Help is available at any time.

Day to day

With an emphasis on quality of life, at Minchinbury Manor we aim to enrich the everyday life of our residents.

Our diversional therapists encourage residents to become socially engaged and participate in what interests them. There are daily exercises, cards and other games, arts and crafts, in-house concerts, movies, multicultural days, karaoke and bus outings to name a few.
